A semi-transparent circular overlay on the left side of the image features a close-up photograph of a young person wearing safety goggles and holding a 250 mL Erlenmeyer flask containing a brown liquid. The background of the slide is a light blue gradient.

# 2025 SAFER CHEMISTRY CHALLENGE PROGRAM

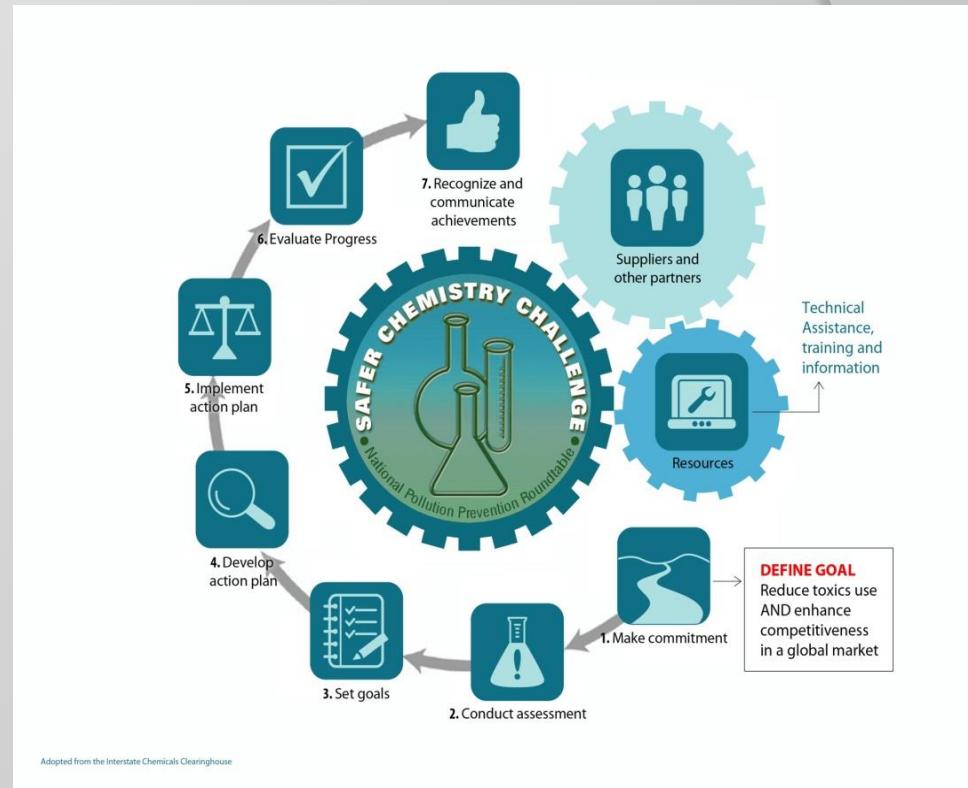

*Presented by the National Pollution Prevention Roundtable*

# 2025 Safer Chemistry Challenge Program

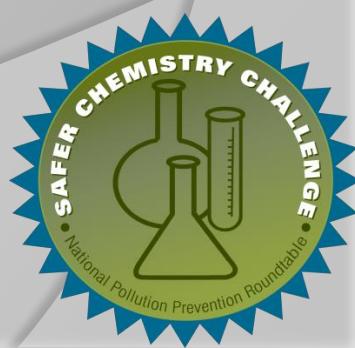

The Safer Chemistry Challenge Program is designed to motivate, challenge, assist, and recognize companies as they identify safer alternatives to the use of toxic chemicals of concern to human health and the environment.

To sign up!
